

Mid-Thames AV Day

**Sunday 27th April 2008,
9.45 for 10.00 am until appx. 5.30 pm.
The Community Centre, Woosehill,
WOKINGHAM, Berkshire.**

For our 2008 event we are delighted to welcome award winning Audio Visualist:

Martin Fry FRPS APAGB

Martin has gained awards for his audio-visual work in France, Australia, New Zealand, Holland and England. He has won the Midlands Counties Annual exhibition 5 times and been runner up at the National Championship twice. Martin gained his FRPS using 4 projectors. He regularly lectures and judges in this art form, having visited over 200 different clubs across Britain. A great deal of Martin's photography portrays the beauty of his native Gloucestershire and his images have supported the music of Gloucestershire singer/songwriter Johnny Coppin on many occasions.

Martin's personal presentation at our AV Day promises to be really worthwhile.

We will start our day with attendee sequences in the morning giving you a golden opportunity to show what you have been working on. Your sequence/s will be well-received and appraised constructively in a friendly manner by Martin. His comments will benefit your own creativity whether you are using digital programmes or working with slide/tape.

We'll have our usual generous **RAFFLE** to help offset costs and a **BRING-AND-BUY** table for your second-hand gear. Please tag all items with your name and an offer price.

Tea and coffee will be supplied from 09.45am but *please bring your own packed lunch.*
